Answer Key

1. I learned that adjectives should be arranged in a specific order, such as quantity, quality, size, and color. It's important because it helps others understand exactly what we mean. 2. Quality, Size, Age, Color 3. True 4. precisely 5. Precise language helps us paint a clearer picture of what we see. For example, instead of saying 'flower', we can say 'bright yellow daisy' to give more detail. 6. Tall 7. False 8. wisdom 9. Serene 10. I think there is an order because it makes sentences clearer. If we mix up adjectives, it can confuse the listener about what we mean.
