4. The Mosaic Covenant focuses on God's law and relationship with Israel.

- True False

5. Which covenant promises an eternal kingdom?

- A. Abrahamic Covenant
- B. Davidic Covenant
- C. Mosaic Covenant

6. Why is the New Covenant considered special in the context of God's promises?

7. All Scripture is ____ and is useful for teaching, rebuking, correcting, and training in righteousness.

8. The covenants show that God does not have a consistent plan of redemption throughout history.

- True False

9. What did God promise in the Mosaic Covenant?

- A. A new land
- B. A relationship with Israel through laws
- C. An eternal king

10. How do these covenants demonstrate God's love? Provide an example from the lesson.

Answer Key

1. A promise of land and descendants 2. Jesus 3. The key covenants are the Abrahamic, Mosaic, Davidic, and New Covenant. The Abrahamic Covenant promises land and descendants. 4. True 5. Davidic Covenant 6. The New Covenant is special because it fulfills all previous covenants through Jesus' sacrifice, providing a way for all people to be reconciled with God. 7. God-breathed 8. False 9. A relationship with Israel through laws 10. These covenants show God's love by establishing relationships with His people. For example, the promise of descendants to Abraham demonstrates His commitment to Abraham and his family.
