- B. The beginning
- C. The contrasting section

2. In ABA form, the middle section is known as section ____.

3. How does the ABA form of music compare to storytelling? Give an example.

4. ABA form is used to create musical pieces that do not have any structure.

- True False

5. What scripture reminds us that all things should be done decently and in order?

- A. Romans 12:1
- B. 1 Corinthians 14:40
- C. Philippians 4:13

6. In what ways can musical structure reflect God's design?

7. The return to the first section in ABA form is important because it provides a sense of ____.

8. The ABA form is only found in classical music and not in other genres.

- True False

9. Which of the following is an example of a contrasting section in ABA form?

- A. A repeat of the first theme
- B. An entirely different tune
- C. A silent pause

10. What made your ABA composition unique?

Answer Key

1. 1 2. B 3. ABA form is similar to storytelling because it has a beginning, a middle, and a return to the beginning. For example, in a story, you start with an introduction, then develop the plot, and finally return to the main theme at the end. 4. False 5. 1 Corinthians 14:40 6. Musical structure, like the ABA form, shows order and beauty, which reflects God's creation. It helps listeners understand

the piece and appreciate the harmony in music, just as God created harmony in the world. 7. closure 8. False 9. An entirely different tune 10. My ABA composition was unique because I used a different rhythm in the B section that contrasted with the A section. This made it interesting and highlighted the differences between the two parts.
